RECOMMENDATION

The Directors believe that the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate are beneficial to the Company and the Shareholders as a whole.

The Directors believe that an exercise of the Issue Mandate will enable the Company to take advantage of market conditions to raise additional capital for the Company. The Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be exercised when the Directors believe that repurchases of Shares will benefit the Company and the Shareholders.

An exercise of the Repurchase Mandate in full may have a material adverse impact on the working capital and/or gearing position of the Company compared with that as at 31 December 2015, being the date of its latest audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing of the Company.

Accordingly, the Directors recommend Shareholders to vote in favour of the ordinary resolutions for approving the proposed grant of the Issue Mandate, the Repurchase Mandate and the Extension Mandate and the re-election of the Directors at the Annual General Meeting.

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement in this circular or this circular misleading.

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

LETTER FROM THE BOARD

MISCELLANEOUS

In the event of inconsistency, the English texts of this circular and the enclosed form of proxy shall prevail over the Chinese texts.

Yours faithfully
For and on behalf of the Board of
Yue Da Mining Holdings Limited
Wang Lianchun
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their shares on the Stock Exchange and any other stock exchange on which the securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at Latest Practicable Date, there were a total of 918,626,516 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the Annual General Meeting, the Company will be allowed under Repurchase Mandate to repurchase a maximum of 91,862,651 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing the Company's securities, the Company may only apply funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law and other applicable laws of the Cayman Islands.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2015, being the date of its latest audited consolidated financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the 12 calendar months immediately preceding the Latest Practicable Date are as follows:

6. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate (if approved to be granted by Shareholders at the Annual General Meeting), such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following persons were directly or indirectly interested in 5% or more of the issued capital of the Company. Their respective interest as at the Latest Practicable Date is shown under the column "Before repurchase" while their respective interest in the event that the Directors exercise in full the power to repurchase Shares in accordance with the terms of the ordinary resolutions in relation to the Repurchase Mandate to be proposed at the Annual General Meeting (and assuming that the issued share capital of the Company remains unchanged up to the date of the Annual General Meeting) is shown under the column "After repurchase".

| | Before repurchase | After repurchase |
|--|------------------------------|-----------------------------|
| Yue Da Group (H.K.) Co., Limited (<i>Note</i>) | 44.33% | 49.26% |
| Jiangsu Yue Da Group Company Limited (<i>Note</i>) | 44.33% | 49.26% |

The above are calculated based on issued Shares of 918,626,516 as at the Latest Practicable Date.

Note:

These Shares are registered in the name of Yue Da Group (H.K.) Co., Limited (“**YDHK**”). Jiangsu Yue Da Group Company Limited (“**Jiangsu YD**”) holds the entire issued share capital of YDHK.

On the basis of the shareholding held by the shareholders named above, an exercise of the Repurchase Mandate in full will result in YDHK becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in YDHK becoming obliged to make such a mandatory offer.

Assuming that there is no issue of Shares between the date of this circular and the date of a repurchase and no disposal by any of the substantial Shareholders of their interests in the Shares, an exercise of the Repurchase Mandate whether in whole or in part will not result in less than 25% of the Shares being held by the public. In any event, the Directors have no intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than 25%.

7. SHARE REPURCHASE MADE BY THE COMPANY

In the six months immediately preceding the Latest Practicable Date, the Company had not repurchased its Shares.

8. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates have any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.
